

Dear Kennedy Parents/Guardians,

Welcome to the 2017-2018 school year! Each year the PTO hopes to provide a consistent level of support to our students and staff through programs, grants and stipends. This includes enrichment grants for the classrooms, field trip support, cultural arts events, technology support, and hospitality for staff and parents. In order to continue this support, we need your help! The PTO depends on fundraising and private donations to sponsor these programs. The PTO support for 2017-2018 amounts to nearly \$100 per student, and your donation would help us to meet that commitment.

Parents often request ways to contribute other than the traditional fundraising campaigns throughout the year. This year we have listened and cut back on the number of traditional fundraising campaigns. Your direct donation to support Kennedy PTO efforts would be greatly appreciated. Please use the form below and return it with your donation in the envelope provided. 100% of the money goes directly to the PTO!

We appreciate your support.

Thank you,  
The Kennedy School PTO
